FAQs

Who is eligible for early release of their super for dental and medical care?

All Australian and New Zealand citizens can apply for the early release of their superannuation on compassionate grounds to help with their medical care.

How long does the application process take?

From lodging your application to the ATO we expect around a 14-day turnaround. We keep you up to date throughout the entire application process so you have the latest information.

What happens if my application for funding is not approved?

At Access My Super we have a 100% success rate for the early access of our client's super. Should your application not be approved we will provide a detailed explanation from the ATO. We do not charge any fees should your application not be successful.

Can I use my local dentist or doctor for my procedure?

Yes, you can use your preferred health or dental practitioner for the procedure. We work with all health and dental specialists and practitioners across Australia. We're here to ensure you get the care you need from a practitioner you trust.
